Levy of fees for the services of Electric Inspector: Amendment to the rules regarding the -.

GOVERNMENT OF BOMBAY.

PUBLIC WORKS DEPARTMENT.

RESOLUTION No.2891/36

Bombay Castle, 30th May 1939.

Read Government Resolution No.6617/27, dated the 10th July 1933.

Letter from the Electrical Engineer to Government No.G.123/4268, dated the 28th March 1939, as under:-

' I have the honour to request that Government will be pleased to amend item (1) of scale "E" in the schedule of the rules for the levy of fees for the Services of Electrical Inspectors, etc. sanctioned in Government Notification No.6617/27, dated the 10th July 1933, by substituting the following:-

(1) For an inspection or examination of the following in pursuance of rules 38 to 40 and 72 of the Indian Electricity Rules, 1937:-

(a) A new medium or high pressure service	Rs.10/-
(b) A new medium or high pressure sub-service tapped from the main service cutouts	Rs. 5/-

The above amendment is necessary as the present scale does not provide for the levy of fees for the inspection of a high pressure service, and also as much hardship is experienced by the licensees, owing to the fact that the same amount of fee is levied for the inspection of a service line irrespective of whether such a line is a main service line or a sub-service line tapped from an existing service".

Read memorandum from the Remembrancer of Legal Affairs, dated the 10th May 1939.

Read memorandum from the Electrical Engineer to Government, No.G.123/550, dated the 17th May 1939.

RESOLUTION.. .....

RESOLUTION:- In exercise of the powers conferred by sub-rule (2) of rule 7 of the Indian Electricity Rules,1937, the Government of Bombay is pleased to direct that the rules for the levy of fees f for testing and inspection and generally for the services of Electric Inspectors under the Indian Electricity Act,1910 (IX of 1910) published in Government Notification No.6617/27, dated the 10th July 1933, as subsequently amended, should be further amended as indicated in the Government Notification appended hereto.

2. The Notification should be published in the Bombay Government Gazette.

3. The Manager, Government Central Press, should be requested to supply 250 copies of the Notification to the Electrical Engineer to Government. The cost of printing should be debited to the head "47-Miscellaneous Departments."

Fees

Levy of fees for the services of Electric Inspectors: Amendment to the rules regarding the -

GOVERNMENT OF BOMBAY.

Public Works Department.

Resolution No.2891/36.

Bombay Castle, 5th February 1940.

Read Government Resolution No.6617/27,dated the 10th July 1933.

Memorandum from the Political and Services Department No.2742/34-E, dated the 23rd November 1939.

Forwards the following correspndence for issue of orders:-

Letter from the Commissioner of Labour,Bombay,No.F.I.14483, dated the 12th December 1938:-

" I have the honour to state that several small factories employing between 10 and 20 persons to which the Factories Act has been extended under the provisions of section 5 have complained that they are now required by the Electric Inspectors to pay fees prescribed under the Electricity Act for the inspection of their lighting installation which they had not to do when the factories Act did not apply to them. I am reporting this matter for the information of Government should they desire to take any action on it."

Memorandum from the Electrical Engineer to Government No.G 123/4195, dated the 23rd March 1939:-

* * * * * *

2. The fees are levied for the specific services rendered by the Electric Inspector for inspections made of the electric installations under the Indian Electricity Act,1910, for which (installations) Government have prescribed the levy of fees in Government Notification, No.6617/27, dated the 10th July 1933.

3. Where a motive power installation or an installation both for motive power and lighting is provided in a place which is a factory within the meaning of the Factories Act, 1934, an inspection is made and fees levied in accordance with scale "D"

in the.....

in the Schedule to the rules for the levy of fees prescribed in the Government Notification referred to in paragraph 1 above. No inspection is made and no fees lavied, where only a lighting installation is provided in a place which is a factory with the meaning of the Factories Act, 1934. -

"4. Government may, if it thinks fit, amend scale, "D" in the Schedule to the rules for the levy of fees by exempting from the operation of the levy of fees in respect of only lighting installations, such places as are factories within the meaning of the Factories Act, 1934, where not more than one hundred people are likely ordinarily to be assembled."

Memorandum from the Commissioner of Labour, Bombay, No.F.I/4058, dated the 19th April 1939:-

" In my opinion the relief is desired in respect of the small power and non-power factories employing between 10 and 20 workers and ~~n~~ notified under section 5 of the Act. I presume that this can be effected by providing a foot-note under scale 'D' in the Schedule to the rules issued under Government Notification, Public Works Department, No.6617/27 of 10th July 1933, to the effect that the scale of fees prescribed in (11) shall not operate in the case of those power and non-power factories which employ between 10 and 20 workers and are notified under the provisions of section 5 of the Factories Act, 1934.

Memorandum from the Electrical Engineer to Government No.G.123/2749, dated the 24th October 1939:-

* * * * * *

2. Where both the lighting and motive power installations are provided in factories employing between 10 and 20 workers, the loss of revenue to Governemnt would amount to approximately Rs.2,080, if fees for inspections i in such factories were remitted. If only inspection of lighting is exempted, the loss will amount to Rs. ~~xx~~ 1190.

3. Under the provisions of the Indian Electricity Rules, inspection of motive power installations is obligatory and cannot be dispensed with and fees are required to be levied for the specific services of the Electric Inspector rendered in this connection, unless Government consider fit to remit the same under rule 7 (2) of the Indian Electricity Rules 1937. It is suggested that in the case of factories employing.....

employing 10 to 20 workers, lighting installations may be exempted foregoing a revenue of Rs.1,190 in order to give relief to such factories.

RESOLUTION:- Government is pleased to direct that any Factory where not more than 20 workers are employed should be exempted from payment of fees for inspection of lighting installations, under sub-rule (2) of rule 7 of the Indian Electricity Rules, 1937. The rules for the levy of fees for testing and inspection and generally for the services of Electricit Inspectors under the Indian Electricity Act, 1910 (IX of 1910), publiched in Government Notification No.6617/27, dated the 10th July 1933, as subsequently amended, should be further amended as indicated in the Government Notification appended hereto.

2. The Notification should be published in the Bombay Government Gazette.

3. The Manager, Government Central Press, should be requested to supply 250 copies of the Notification to the Electrical Engineer to Government. The cost of printing should be debited to the head "50-Civil Works".

By order of the Governor of Bombay.

INDIAN ELECTRICITY RULES, 1937.

No. 2891/36.- In exercise of the powers conferred by sub-rule (2) of rule 7 of the Indian Electricity Rules, 1937, the Government of Bombay is pleased to amend the rules for the levy of fees for testing and inspection and generally for the services of Electric Inspectors under the Indian Electricity Act. 1910 (IX of 1910), published in Government Notification in the Public Works Department No.6617/27, dated the 10th July 1933 as follows:-

In scale D in the Schedule to the said rules in paragraph No.(1)

(a) for the words and figures "Indian Factories Act" 1911 (XII of 1911) the words and figures "Factories Act, 1934 (XXV of 1934) " shall be substituted and

(b) after item (1) the following proviso shall be inserted, namely:-

" Provided that no fee under this item shall be charged in respect of an electric installation, appliance or apparatus in any factory where not more than twenty workers are employed."

By order of the Governor of Bombay,

C. E. AITK EN,

Secretary to Government.

Fees

Levy of fees for the services of Electric Inspectors: Revised orders in connection with the -

GOVERNMENT OF BOMBAY.

Public Works Department.

Resolution No.2891/36.

Bombay Castle, 5th December 1942.

Read Government Resolution No.6617/27, dated the 10th July 1933.

Letter from the Electrical Engineer to Government, No.G. 123/2307, dated the 28th October 1941:-

I have the honour to invite reference to paragraph 3 of this office No.G. 123/210, dated the 18th April 1941, and to forward a statement* showing the proposed amendments to the above rules and scales of fees thereunder for sanction.

In this connection, it is stated that as the existing Notification No.6617/ 27, dated the 10th July 1933, has been issued under sub-rule (2) of rule 5 of the Indian Electricity Rules,1922, which have since been superseded by the Indian Electricity Rules, 1937 it is necessary that a fresh notification as per the draft below be issued:

" No. - In exercise of the powers conferred by sub-rule (2) of rule 7 of the Indian Electricity Rules,1937 and in supression of Government orders in the Public Workers Department No.6617/27, dated the 10th July 1933, published at pages 160-5-1608 of Part I of the Bombay Government Gazette, dated 13th July 1933, as subsequently amended the Government of Bombay is pleased to order that with effect ..... fees for testing and inspection and generally for the services of Electric Inspectors, under the Indian Electricity Act, 1910 (IX of 1910), shall be levied in accordance with the following rules, namely:-

As.....

As a number of correction slips have been issued to existing rules, from time to time, it is requested that santion may be accorded to the printing of copies of the rules and that the Manager, Government Central Press, may be requested to supply 500 copies of the notification in a small leaflet form to the Electric Inspector, Bombay Province, for distribution to the public".

RESOLUTION:- In exercise of the powers conferred by sub-rule (2) of the rule 7 of the Indian Electricity Rules, 1937 and in supression of the orders published in Government Notification No.6617/27, dated the 10th July 1933, at pages 1605-1608 of Part I of the Bombay Government Gazette, dated the 13th July 1933, as subsequently amended. Government is pleased to direct that, with effect from 1st January 1943, fees for testing and inspection and generally for the services of Electric Inspectors under the Indian Electricity Act, 1910 (IX of 1910), shall be levied in accordance with the rules laid down in the Government Notification appended hereto. The notification should be published in the Bombay Government Gazette.

2. Copies of the notification should be supplied to the leading papers in the Province of Bombay.

3. The Manager, Government Central Press, should be requested to supply 500 copies of the Notification in a small leaflet form to the Electric Inspector, Bombay Province, for distribution to the public. The cost of printing the notification should be debited to the head "50-Civil Works Provincial". -
